

## **Fundraising Information**

Are you tired of selling boxed candy, frozen pizzas, or another magazine subscription that collects dust on the living room coffee table? Dockery Branch Farm brings you a new way to simply and effectively generate revenue for your school, church, or civic organization that will keep families coming back for more every time!

*Dockery Branch Farm's Real Country Sausage* was founded because we believed in a better way to feed our families breakfast, lunch and dinner than what already existed. We do this by using only the highest-quality ingredients, a 100-year-old family recipe, and never consider using fillers or preservatives. Serving your family *Dockery Branch Farm's Real Country Sausage* pork products will bring enjoyment back to the supper table!

*Dockery Branch Farm* wants to share our beliefs with your families while creating an easier way to raise money for your organization. By teaming with *Dockery Branch Farm*, we will help you easily reach those targets and goals for the coming years' fundraising!
